A NUMBINGLY GOOD FUCK

When asked what the most important part of sex is, Melanie Scott is quick to tell of the benefits of blowjobs. Sucking dick is the best thing to do when you're about to fuck. As pants come off, she's quick to get her lips around that throbbing head, and slow to let go. Between long, happy moans she runs her tongue up and down his hard shaft.

Homegrown Hussy

**She tossed
the top aside
and went
back to work,
sucking me in
earnest.**

"I hate to tell you this," said my landlady, "but there's been a problem with the part. I'm afraid it won't arrive until Monday.

I frowned at my phone. "Are you serious? It's Friday night. What the hell am I supposed to do all weekend? It's like a sauna in here."

She responded with silence. Doubtless she was trying to think of something soothing to say, something to diffuse the situation.

I expelled an exasperated sigh. "Looks like I'll just have to tough it out."

"I'm terribly sorry."

"Not as sorry as I am."

"If you need anything else—"

I hung up in her face. Talk about lousy timing! A horrific heat wave strikes and my AC decides to bite the big one. The ancient

window unit had sputtered out yesterday while I was working my day job. After entering my one-bedroom sweatbox, I had placed a panicky call to my landlady, rousting her into action, all to no avail. A new part, I thought, shaking my head in dismay. Friday night was shaping up to be just as miserable as last night; coated in sweat, I had tossed and turned in my bed. Open windows and a whirring ceiling fan had failed to provide much in the way of relief.

Now, on the brink of a total meltdown, I plucked a cold one from the fridge – thankfully my electricity was still working – and went out on my little balcony. The beer was cold and good. A small consolation, all things considered.

Enough was enough. I really needed to move out of this crummy apartment building. Too bad I couldn't afford a nicer place.

Perhaps, I reasoned, after I became a wildly successful writer. Presently I was working on my novel; which is why this AC fiasco had me so distraught. I wouldn't be able to write all weekend. No writer, no matter how disciplined and dedicated, could create in such suffocating conditions. Shit, I thought, taking a hefty pull of beer and thinking seriously about staying at a motel. I didn't want to shell out the cash, not by a long shot. But what choice did I have?

"Fuck it," I muttered.

Then I packed a bag, grabbed my wallet and keys, and headed out the door.

The place was a seedy little motor court not far from my apartment. Still, the AC in my squalid room worked just fine, and that was all I cared about. I had paid the clerk for two nights. Sunday night in my apartment would be hell, but my funds were limited. At least I could spend the majority of my weekend in comfort.

I hadn't eaten anything since

lunch, so I locked my room and went searching for grub. I walked alongside the highway. Friday night traffic was heavy. Bars and fast food joints and dilapidated strip malls bordered the four-lane thoroughfare. I opted for General Tso's Chicken from a dumpsy Chinese takeout joint next door to an adult bookstore.

I paid for my food, then entered the bookstore to check out the magazines. Grinning like a fool, I plucked a glossy mag from the rack. It was sealed in plastic, of course, so I couldn't examine its contents. But that was part of the charm, part of the allure. Stroke mags were a total surprise; you never knew what you were going to get . . .

"Excellent choice." The voice flowed over my shoulder, giving me quite a start. I turned around to see a young brunette.

Nineteen, I reckoned, maybe twenty. She was tall and thin, gangly legs on full display beneath a pair of cutoff denim shorts. A black bikini top completed her ensemble. She was mildly sunburned and redolent of tanning oil; clearly she had spent a good portion of the day laying out, perhaps even swimming.

"This is a good one, huh?" I replied.

"The best," she said.

"And why is that?"

"Because I'm in there."

I didn't believe her, not for a minute.

Until she purchased the magazine, led me outside, and opened it to her spread. I could hardly believe my eyes. Sure enough, it was her! She said she frequented the bookstore to "get a feel" for the type of men – and women – who read such magazines. Then, referring to her photos, she said, "Not bad for a hometown girl, huh?"

"No," I said, "not bad at all."

She told me her name – Fletcher

er – and proceeded to shock me even more. "Yeah, well, you're not so bad yourself. Want to get a room?"

My container of General Tso's chicken sat forgotten atop the TV, untouched and sure to stay that way for some time.

I lay back on the lumpy bed, delighting in Fletcher's stellar oral skills. She licked my turgid shaft, balls to flared cap, ever so slowly. On the bed beside me the magazine was open to her section, each and every lusciously lewd photo on full display. Small world, I mused, watching her talented tongue service my glistening rod.

It wasn't long before she removed her bikini top, granting me an unobstructed view of her firm, perfectly shaped B-cup tits. She tossed the top aside and went back to work, sucking me in earnest. Lips cinched around my

cock, she moved her head back and forth, pumping and priming with increasing vigor.

I couldn't wait to fuck her.

Thankfully I didn't have to wait long.

Having sucked me to optimal hardness, Fletcher came up for air, shucked her shorts and panties, and flipped over onto her hands and knees. I hopped off the bed and grabbed her bony hips, pulling her to the edge of the mattress. She bent forward, angling her spine just so, pressing her face to the bedding while raising her spectacular ass for a good and proper doggy reaming.

I maneuvered my cock into her young cunt, marveling at its tightness. Her snug snatch gripped me like a vise, a markedly soft and hot vise. Holding her hips, I thrust with everything I had, drilling her with hard jabs, one after another. She moaned and wailed, upping

my excitement, urging me to fuck her even harder.

I did just that, banging her from behind for some time before pulling out and turning her over. Supine with her head inches from the headboard, she spread her skinny legs, parting her shaved gash for entry. I skewered her hastily, then thrust my hips repeatedly, faster and faster. Digging her fingernails into my back, she wrapped her legs around my waist, taking every inch of my engorged member.

The timing couldn't have been better. Fletcher came a fraction of a second before I jizzed all over her taut stomach.

We lay in silence for a few minutes before she inquired about the motel room. "Are you from out of town?" she asked. I told her all about the busted AC in my

apartment. "Well," she said, "every cloud has a silver lining."

The writer in me cringed at such clichéd language. A small price to pay for banging a home-grown hussy!

– Alex B, Albany, NY

Maybe Later

I went outside to check out my brother's new girlfriend. Actually he said she's not his girlfriend, just a girl he picked up at a frat house and they've been 'partying' for a week now. If that was the case, why did he bring her home during spring break? I think I know but didn't care. Her name was Maylene and she was tanning out by our pool. She saw me walking on the pool deck and motioned me over. "Would you be a dear and rub some of this lotion on my

back?" she said holding out the sunscreen bottle.

While I was rubbing the lotion, I worked it a little lower down her topless back to her ass and noticed I was getting a boner bulging against my shorts! Maylene rolled over in the lounge and noticed the protuberance. She looked up at me and smiled and asked if she could see it. At first I said 'no' but my small head then too over and made me ask where my brother was. She said he went to the baseball game an hour ago.

When she finished rolling over, her beautiful full breasts came into glorious view. Without missing a beat she again took the bottle of lotion and handed it to me, cooing softly to rub it on her chest. As she put the bottle back, the back of her hand brushed across my boner. Her hand came back and slid up my board shorts searching out my erection. As I rubbed the lotion on her chest, she found my woody and started playing with it.

I touched her nipples and they responded by getting harder, like little pencil erasers. I massaged her breasts and she massaged my cock under my shorts. Then suddenly she pulled her hand out and sat up. She grabbed my waistband and said "These won't do. They gotta go," and in one swift yank they were down at my ankles. She nuzzled her full lips along the length of my hard cock. She pushed it up against my belly and her warm tongue was licking my balls.

She was making those slurpy, sucking noises that drove me crazy. I came in her mouth and she swallowed all. I wanted to push her down on her back, spread those smooth legs apart and do some long, slow meaningful strokes in her magnificent pussy. Maybe later I will.

BOOTYLICIOUS BELLA

Camilla Bella is a girl who takes the utmost pride in her sexual capabilities. From blowing a man to climax before he realizes it, to literally clapping cheeks over his cock, every moan she's rewarded with brings a huge smile to her face. But nothing, absolutely nothing, compares to the sheer joy she experiences from showering in her well earned cum.

MUST BE 18 TO CALL 877-339-8788 I LOVE TO HOLD IT, LICK IT AND BLOW IT!

Trick or Treat

A hot number turns a trick into a real treat

You normally bob for apples in a tub of water, not between the legs of a sexy, hot chick. But if you haven't tried it, don't knock it. It's one hell of a way to spend Halloween.

Every year, as Halloween approaches, I begin to develop a terminal case of hard dick-itis, a rare affliction that keeps your dick erect, no matter how often you get laid. It's probably all due to the fact that I lost my cherry on Halloween.

I had just turned 18 and much too shy to even kiss a girl, much less stick a dick into her. Katie was a year older and had lived across the street from me for as long as I could remember. She had always been just one of the guys. I hardly noticed when her flat chest began to grow and her bony butt began rounding into a cute little ass.

It all began very innocently. I was alone in the house with the responsibility of passing out the candy to the trick or treaters. So, armed with a big bowl of candy and a good book, I sat back and waited for the onslaught of the little screaming monsters.

I was pleasantly surprised to find Katie standing at the door when I went to answer the first doorbell of the night. To be honest, I was bored stiff. I was glad when she agreed to come in and help me distribute the goodies. At the time I didn't know that she planned to distribute some goodies of her own.

She was so sneaky about it that I never saw it coming,

even when she guided the conversation to the subject of sex. It wasn't really serious sex talk. Just friendly chatter about the games we played as kids and why I never tried to get her to play doctor.

I didn't even get suspicious when she decided to tell me about a guy she had sex with. I have to admit that listening to her intimate confession gave me a familiar tingle between my legs. And I found that my eyes wandered constantly to the great view that she presented as she sat at my feet with her knees under her chin.

The more she talked, the more excited I became. As she talked, her face became kind of flushed, and she began breathing funny. There was a glassy look in her big blue eyes. As for me, there was a rock-hard pole growing between my legs.

She said that it took him about six months to progress from touching her pussy to kissing it. About that time, her story was interrupted by a gang of spooks and goblins at the door. I served them and returned to my chair with my dick harder than ever. I noticed that the top two buttons of her shirt were now open.

It gave me my first real look at a live pair of tits. They weren't big; as a matter of fact, they were at least half nipple. But, they stood straight out from her chest like tiny cones.

By the time I got back in my chair, my cock was jumping

like crazy. I kept my arm across my lap in an effort to hide the obvious bulge in my pants.

"He always got hard like that when he did it," she grinned, pointing directly at the lump in my pants. She put a hand on my leg, only inches below my twitching cock as she spoke.

I opened my mouth to deny her observation, but the lie stuck in my dry throat. All that came out was a weak squeak. Before I could recover, she reached for my zipper and pulled it down.

"Can I see it?" she purred.

I was too stunned to answer. So I sat there in a daze while her inexperienced hand dug into the opening in the front of my pants and searched for my cock. Happily she found it and the feel of her fingers wrapped around the shaft nearly took me over the edge. I'll never know why I didn't come all over her hot little hand, but I didn't.

It took her a while, but she didn't give up until she had freed my steel-hard dick from the maze of underwear. She

just above her thighs, she sighed deeply and opened her legs. "Do it real slow," she gasped. "Don't touch my pussy until I tell you."

Just the thought of touching her pussy had me ready to explode in my pants. But I did as she asked and let my fingers creep inch by inch up her slowly parting thighs. I was a good six inches from her pussy and I could feel the heat radiating against the back of my hand. "Tell me what you are going to do," she said, almost pleading.

"Touch your... pussy," I stammered. She shivered as I uttered the words.

"Do it now. Touch my pussy. Make me cum!" she moaned, as I quickly slid my hand against her steaming slit. When I felt slippery, hot flesh instead her panties, I lost control.

My finger slid automatically into her waiting hungry hole, while my cock twitched and shot sperm everywhere. When we began coming down from our high, she spotted the cum-stained carpet and began laughing nervously. "I'm

gasped when my monster sprang out and made a slapping sound as it hit her chin. That's when the damn doorbell rang again. She gave my dick a quick squeeze and said she'd handle them.

I felt like a fool sitting in the middle of the living room with my dick standing out of my shorts, but there was no way that I was going to put my dick back in my pants. I had a feeling that I was in for the cum of a lifetime.

Katie made short work of the candy. When she returned to the living room, she placed the bowl of goodies on the table beside me and stood beside my chair. "Take off my panties," she begged, as she let her tongue travel slowly over her soft, red lips.

I groaned and reached out with trembling hands. I put them on her hips on the outside of her skirt. "The panties are under the skirt," she giggled, as she pushed my hand down the side of her legs. When my hands touched the flesh

sorry," I stammered, suddenly embarrassed by my lack of control.

"Don't be," she sighed. "It makes me hot to know that I did that to you. But don't worry," she grinned, "You'll come again before this night is through." There was a mischievous smile on her face as her eyes stared at my lap.

I was surprised to find my cock harder than ever, even with the last drop of cum still clinging to the swollen head. She knelt and cupped my balls while she wrapped her fingers around the shaft. Then she lowered her head and licked the tip in long, slow strokes.

She made smacking sounds with her lips as though she were eating a delicious dessert. If she had done it for very long, I would have had my first blowjob. I could feel the jism building in my balls as she pulled her head away and rocked back on her heels.

Suddenly, there was another crowd of kids at the door.

I tucked my cock into my pants, and grabbed the bowl. There must have been a hundred of the little brats. I handed out the candy as quickly as I could, but it seemed to take forever.

Finally I used up the last of my candy, so I turned off the outside lights and locked up. The sight that greeted me when I entered the living room took my breath away: Katie was now naked and lying on the floor. Her legs were spread as wide as possible and she had a big smile on her face. It wasn't until I was much closer that I spotted her surprise. Between her legs was a shiny red apple. "Do you want to bob for apples?" she whispered.

I unbuckled my pants and let them fall to my feet. My shorts quickly followed as did my shirt. By the time I reached her lust-crazed body, I was naked too.

I knelt between her legs and leaned forward. I took each of her pointed tits into my mouth and rolled my tongue gently around the sensitive buds. She moaned and squirmed as her head rolled from side to side.

it gushed from her excited slit. When she finally released my head, I was covered from chin to eyebrows with her hot juice. She held her arms open and I fell on top of her body. My cock nestled automatically in the wet groove of her cunt.

She put her lips to my ear and sent shivers up and down my spine. "I've got a condom," she gasped as she wiggled her hips against my humping crotch.

It was all the invitation I needed. I lifted my body off of hers just enough to let her unroll the sheath over my pulsing shaft before letting the head of my cock slip into the hot, wet opening between her legs. She put her hands on my ass and pushed. I slipped into the tight tunnel to the balls in one mind-blowing stroke. "Oh, this feels so goood..." she moaned.

Her words only fanned the fire that burned in my balls. I ached to dump gallons of hot cum deep into her quivering snatch. But at the same time, I fought to hold on to make it last.

She was no virgin, but she had the tightest pussy I've

I think that's when I realized for the first time that I was going to fuck Katie. The thought had my cock jumping for joy. After I got my fill of her sweet tits, I began kissing my way down her body over her soft, flat belly, across her smoothly shaved pussy and finally into the steaming valley between her legs.

I tossed the apple across the room and unpetaled the lips of her excited pussy. She went crazy as she realized that I intended to eat her pussy. "Yes! Yes! Yes!" she moaned. "Lick me. Eat me. Fuck me with your tongue!"

So help me, she was coming before my lips ever touched her juicy slit. As soon as the hot flesh of her cunt was against my lips, she locked her legs around my ears and ground her pussy against my face.

She shivered all over as I rammed my tongue in and out of her pulsating pussy. I drank the slippery nectar as

ever experienced since. I could feel the muscles of her cunt rippling against the shaft and tingling tip.

"Let's come together," she whimpered as she sped up the motion of her clutching cunt. Her hands held my ass and kept us in perfect rhythm. "Now!" she screamed, as the first glob of seed fired from my dick, slamming against the tight walls of her pussy.

We were like two wild, rutting, grunting animals as we thrashed around on the floor, our bodies milking every tingling thrill out of the mutual orgasm. By the time we recovered, it was time for the folks to return.

We both went away to school and married others, but at least I have my memories. All I have to do is think about that night and I get an instant hard-on. But somehow on Halloween, the urge gets so strong that once I even came in my pants while passing out the candy.
